## Ventajas

- Gratuito y accessible para todas las Universidades con ECHE
- Rápida conexión a EWP
- Interfaz sencilla
- Soporte técnico y actualizaciones gestionadas por la Comisión Europea y el Consorcio EWP+

- Adaptados a los procesos internos establecidos en la Universidad
- Integrados con Sistemas de Gestión de la Universidad
- Control sobre los desarrollos y los plazos

- Integrados con EWP en determinados procesos
- Soporte técnico y actualizaciones gestionadas por el proveedor

## Inconvenientes

- Acuerdos de movilidad no registrados en EWP
- Universidades con ECHE no conectadas a EWP
- Necesidad de integración con Sistemas de Gestión de la Universidad

- Necesidad de personal técnico especializado
- Costes altos iniciales para el desarrollo
- Necesidad de conexión del sistema con EWP

- Dependencia total del proveedor
- Costes altos durante su uso
- Falta de integración con los procesos internos establecidos en la Universidad
- Necesidad de integración con los Sistemas de Gestión de la Universidad

¿Es posible integrar EWP Dashboard en el Sistema de Gestión de movilidades de tu Universidad?

Proyecto ISA de la Universidad de Alcalá

The image shows a screenshot of the EWP Dashboard login interface. It features a logo at the top center, followed by input fields for 'Username' and 'Password'. Below these are links for 'I do not remember my password' and 'Sign In'. A 'Self-registration' button is at the bottom. The background of the slide is a photograph of the University of Alcalá's main building, with a semi-transparent watermark of the login screen overlaid.
