KA2 Strategic Partnerships

AIMS and OBJECTIVES: 2 types of Strategic Partnerships

News
2016!!

Strategic Partnerships supporting EXCHANGE OF GOOD PRACTICES

- develop and reinforce **networks**, increase their capacity to operate at transnational level, **share ideas, practices and methods**
- results and activities co-financed through the budget for project management and implementation
- **NOT** for Higher Edu sector

Strategic Partnerships supporting INNOVATION

- develop **innovative outputs**, and/or engage into intensive **dissemination** and **exploitation activities** of existing and newly produced products or innovative ideas
- Specific budget for **Intellectual Outputs** and **Multiplier Events**
- open to **all fields** of education, training and youth

EU Priorities

Strategic Partnerships **must** address either:

- **at least one horizontal priority** or
- **at least one specific priority** relevant to the field of education, training or youth

Strategic Partnerships **are cross-sectorial when:**

- address **at least one horizontal priority**

OR

- **at least two priorities** that are **specific to two different fields**

EU Priorities

HORIZONTAL PRIORITIES

- Improve achievement in relevant and high-level **basic and transversal competences** in a lifelong learning perspective, through formal or non-formal education and training
- **Inclusive education, training and youth**: in line with the *Paris Declaration*, priority will be given to **actions addressing diversity in** (formal and non-formal) **education and training**, developing social, civic, intercultural competences and media literacy, **combating** discrimination and segregation, tackling bullying, reducing disparities in learning outcomes affecting learners with disadvantaged backgrounds in particular through innovative integrated approaches
- **Open and innovative education, training and youth work**, embedded in the **digital era**

EU Priorities

HORIZONTAL PRIORITIES

- **Educators:** priority will be given to actions that strengthen the recruitment, selection and induction of the best and most suitable candidates for the teaching profession as well as to actions supporting **continuing professional development of educators (such as teachers, professors, tutors, mentors, etc.) and youth workers**, especially on dealing with an increasing diversity of learners, early school leaving, learners with disadvantaged backgrounds (including refugees, asylum seekers and migrants), **work-based learning**, digital competences and innovative pedagogies
- **Transparency and recognition of skills and qualifications** to facilitate learning, employability and labour mobility
- Sustainable **investment, performance** and **efficiency in education and training**

EU Priorities

FIELD-SPECIFIC PRIORITIES: HIGHER EDUCATION

- . As outlined in the 2011 EU Modernisation Agenda: **increasing attainment levels**; improving the quality and relevance of higher education; **strengthening quality through mobility and cross-border cooperation**; **making the knowledge triangle work**, including by inter-disciplinary cooperation; **improving governance and funding**
- . As outlined in the 2013 Communication on Opening up Education: promoting the **development of new modes of delivery, exploiting and responding to new technologies in learning and teaching**

EU Priorities

FIELD-SPECIFIC PRIORITIES: VET

Promoting **work-based learning** in all its forms, **with special attention to apprenticeship-type training**, by involving social partners, companies and VET providers, as well as stimulating innovation and entrepreneurship.

INDIRE and ISFOL Erasmus+ National Agencies are members of the **NetWBL Network of NAs** focused on the promotion of work-based learning and on the strengthening of WBL elements, and in particular of apprenticeship, in existing VET and Higher Education pathways

www.net-wbl.eu

The network activities realised a **WBL toolbox** www.wbl-toolkit.eu a web platform that allows users to share knowledge on work-based learning issues and to further exploit the WBL tools developed by LLP and Erasmus+ projects

EU Priorities

FIELD-SPECIFIC PRIORITIES: VET

- Further **developing quality assurance mechanisms in VET**, in line with EQAVET recommendation, and establishing continuous information and feedback loops to I-VET and C-VET systems, based on learning outcomes as part of quality assurance systems
- Further **strengthening key competences in VET curricula** and providing more effective opportunities to acquire or develop those skills through I-VET and C-VET
- Enhancing **access to training and qualifications for all through C-VET**, in a life-long learning perspective, notably by increasing the quality, supply and accessibility of C-VET, validation of non-formal and informal learning, **promoting work-place learning in companies** for the working population, providing for efficient and integrated guidance services and flexible and permeable learning pathways

EU Priorities

FIELD-SPECIFIC PRIORITIES: YOUTH

Promoting **high-quality youth work**, through:

- **foster the inclusion and employability of young people with fewer opportunities** (including NEETs)
- **promote intercultural dialogue** and **strengthen knowledge and acceptance of diversity** in society
- support youth workers in developing and sharing effective methods in reaching out to marginalised young people, refugees, asylum seekers and migrants, and in preventing racism and intolerance among youth
- **internationalise youth work** and open it up to cross-sectorial cooperation allowing greater permeability across all fields of actions concerning young people
- **professionalise youth workers**, developing their competences, setting quality standards, ethical and professional codes; reinforce links between policy, research and practice
- **promote better knowledge, recognition and validation of youth work and non-formal learning** at European, national, regional and local levels

EU Priorities

FIELD-SPECIFIC PRIORITIES: YOUTH

Promoting empowerment, open it to cross-sectorial cooperation allowing greater **permeability across all fields of actions concerning young people**, with a special focus on access to **rights, autonomy, participation** - including e-participation - and the **active citizenship of young people** notably those at risk of social exclusion, through projects that:

- **broaden and deepen political and social participation of young people** at local, regional, national, European or global level
- **promote diversity, intercultural and inter-religious dialogue, common values of freedom, tolerance and respect of human rights**; enhance critical thinking and media literacy of young people; strengthen their sense of initiative notably in the social field
- **enable young people to connect with, express their opinions to and influence elected policy-makers, public administrations, interest groups, civil society organisations**, or individual citizens within any of the political or social processes affecting their lives

EU Priorities

FIELD-SPECIFIC PRIORITIES: YOUTH

Promoting **entrepreneurship education** and **social entrepreneurship** among young people

Priority will be placed on projects in the form of **transnational youth initiative** that allow groups of young people to put ideas into practice, including through social enterprises, tackling challenges and problems identified within their communities
